

29.30.31 October 2015
Bangalore International Exhibition Center, Bengaluru

SPEAKER PROFILE

René Honig

Vice President Strategy, Portfolio & Innovation
Shell Global Solutions

René graduated with an MSc. in Electrical Engineering from Delft University of Technology in 1989 and also holds an MBA from Heriot-Watt University in Edinburgh. He joined Shell in 1990 and has worked in the Netherlands, Gabon and the United Kingdom in various roles, including Manager for New Business Development, Upstream Corporate Strategy Adviser, Business Adviser to EVP Europe, Asset Development Leader in the UK Central North Sea, High Pressure/High Temperature development team leader, and various field development coordination and Reservoir Engineering assignments. He is a member of the Society of Petroleum Engineers. René took his current role in Shell's Technical & Competitive IT Business Unit, which aims at delivering competitive IT solutions across Shell's value chain, in April 2012. He is responsible for portfolio management, strategy & planning, technology marketing, sourcing and IT innovation and runs centres of expertise for High Performance Computing, Sensing, Computational Technologies and Predictive Analytics.
